Nine Oaks Vineyard – July Update

2

With the launch of our second wine, our first wine tastings and open-air theatre in the vineyard, June has been a really busy and exciting month!

Alongside our still Pinot noir rosé we have now also launched a still Chardonnay which is available in Hothfield stores, as well as other select Kent retailers. The arrival of our Chardonnay has also coincided with our launch of both wines at one of Kent's oldest specialist food and wine retailers, Macknade Faversham. During English Wine Week Helen will be in store at Macknade on 23rd June for a producer-led wine tasting and on the 6th July she will be part of the Macknade's Summer Wine Fayre. Tickets are available for the latter at <https://macknade.com/products/summer-wine-fayre>

In terms of the vineyard and vines, we have been busy cutting off the sacrificial canes as we are now past the traditional frost period that so often plagues English vineyards. Early June was characterised by rapid cane growth and the emergence of the tiny bunches that will become our crop for this season. In early July we have the most important part of the vineyard season, flowering, whereby the vines self-pollinate, and the bunches open out into individual grapes. Fingers crossed for some nice warm settled weather over this period!

Following our debut open-air theatre events in June, this August we will welcome Quantum Theatre to the vineyard who will be showing The Tale of Peter Rabbit and Benjamin Bunny, and A Midsummer Night's Dream as open-air theatre on Sunday 20th August. Tickets available at:

The Tale of Peter Rabbit and Benjamin Bunny: <https://www.quantumtheatre.co.uk/event-details/nine-oaks-vineyard-peter-rabbit>

A Midsummer Night's Dream: <https://www.quantumtheatre.co.uk/event-details/nine-oaks-vineyard-a-midsummer-nights-dream>

Who wants a return of the Village Fair? We have been asked by residents to bring the Village Fair back, its has been a few years since it was last held. To run this event we need lots of volunteers, if you can help please come to our next Parish Council meeting on the 12th July, or email parish.clerk@hothfield.org.uk

We understand some young people in the village are interested in a Youth Council. If you do please come to our next Parish Council meeting on the 12th July, or email parish.clerk@hothfield.org.uk

1st Charing Scout Group

This time of year means camping. Cub camp was exhausting but great fun. The ground was very uneven which was hard work for the leaders but didn't seem to bother the young people. Everyone made commemorative medallions to take home. Scouts had a very successful camp for patrol leaders. Beavers are getting ready for their sleepover. We had a super evening learning circus skills, definitely for young people not adults

One of the wonderful things about scouting is the active support of young people working towards their Duke of Edinburgh awards. There is a dedicated section of explorers in Ashford and we also support those who choose to do it with school. The gold award is a major achievement and can be completed up to the age of 25 so many who achieve this are adults. There is a presentation evening in Ashford and those achieving gold are invited to Buckingham Palace where the Duke welcomes them. He has taken over from his father with enthusiasm.

At the Ashford presentation there were 20 young people of whom four had links with Charing and another two were unable to attend. We are very proud of them all:

Duncan, explorer scout and young leader. Bronze award
Toby, explorer scout. Silver award
Saskia Caddell, Cub Scout leader. Gold award
Mark Boughton, Cub Scout leader. Gold award
Harry Bellamy, former group member. Gold award
Eugenie Dodds, former group member. Gold award

HOTHFIELD HEATHLANDS IN JULY

Ground nesting birds and dogs on leads: Thank-you to everyone for supporting the wildlife at Hothfield Heathlands by keeping their dogs on a lead across all the open areas. We appreciate the changes that people have had to make and hope that we will see some real benefits to our wildlife over the next few months.

Hothfield Heathlands Updates June 2023

The Precious Peatland project work will be continuing over the next few months (all the works to be finished by the end of the year). Click on this link for a good summary of the project.

<https://www.kentwildlifetrust.org.uk/hothfield-heathlands/precious-peatlands>

The work is focused on improving peat bogs, of which Hothfield has the best ones in the county. Peat bogs are mainly made of sphagnum mosses that have built up over thousands of years, they store tonnes of carbon making them one of the best natural carbon stores – better than trees! Peat acts like a sponge, holding water to reducing drought in the summer and flood in the winter. They have an amazing diversity of wildlife associated with them, including carnivorous plants, dragonflies,

and reptiles.

Peat bogs are very vulnerable, they can be damaged by invasion of scrub, which sucks out the water, pollution from enriched water, sewage, and farm waste. On a larger scale, many of our peat bogs have been destroyed through extraction for garden peat.

How can you help?

The easiest thing you can do is make sure the compost you buy from a garden centre is 100% peat free. Check the small print, most garden centre compost does not use peat anymore, but a recent visit revealed several which still contained up to 50% peat.

Every year KCC Highways & Transportation receive lots of complaints regarding trees, hedges and other vegetation, which overhang the highway from private property. This can pose a number of problems for people trying to use the footways, especially if they are trying to pass with buggies, wheelchairs and scooters. It would be greatly appreciated if you could ensure that any trees and hedges that are bordering the Highway are maintained and cut back to your boundary which would greatly benefit all Highway users. This will help us all keep the highway safe and prevent the need for KCC writing to you requesting that you cut back your vegetation. If the boundary of your property borders the footway, then please be aware that: A) The full width of the footway/pavement must be available for use by pedestrians. B) There must be a minimum height clearance over the footway/pavement of 2.1 metres/7 feet for any vegetation. If the boundary of your property borders the carriageway, then please be aware that: A) If you have vegetation that overhangs into the road, there must be a minimum height clearance of 5 metres/16 feet to accommodate buses and HGVs that may use the road. B) If your property is rural, then vegetation should be 0.45 metres/1.5 feet behind the edge of the road and all signs need to be kept clear of foliage.

How can we support the ones we love?

Yesterday was my Mum's birthday and of course Father's Day. We celebrated with a family meal at our local village pub. My Mum and Dad have always been my biggest supporters and the older I get, the more I appreciate it. They are at my house every weekend helping with my house and garden renovation. It got me thinking about how we can support the people we care about?

You never know when you might need them.

Ways we can support others:

- ~Practice active listening
- ~Offer your help if needed (or not)
- ~ Continue to check in on them
- ~Give them reassurance and encouragement
- ~Encourage them to seek support

Kindness is one thing you can't give away. It always comes back.

Love, Georgia x
